

If you have applied for a place at Clyde college please read the following information:

#### Conditional Offers

Curriculum Support Administrators (CSA) and Admissions staff will be sending out new updated conditional offers based on information we already have from Senior Lecturers.

#### Entry Criteria

Admissions have been communicating with Senior Lecturers requesting updates on any applications which require entry requirements to be met. Applicants may have a phone interviews or be given a direct offers if this is required.

#### Keep Warm messages

We will be sending out messages to applicants at different stages of the application process – with general info to keep them connected with the college and contact details should they have any questions.

#### Internal Progression

Internal conditional offers will be given for any courses/students where this has not already taken place.

However, If you are aware that there is a particular situation where you know a learner is feeling anxious about their application and doesn't know where to turn or what to do – please let me know and we can ensure that any anxieties are dealt with.
