

If you have applied for a place at Glasgow University please read the following information:

There are several resources you can access for more information on the University of Glasgow.

For a student-led virtual tour of the campus please see the link below:

<https://www.gla.ac.uk/explore/visit/>

You can also access UniBuddy which is a platform which allows perspective students to speak to current students from a wide range of different subjects, as well as staff members:
